**RETRANSMISSION OF REQUEST FOR RECONSIDERATION OF PETITION TO
WITHDRAW HOLDING OF ABANDONMENT AND REQUEST TO ISSUE PATENT**

Dear Wynn:

Please find the original transmittal of the Request for Reconsideration of Petition to Withdraw Holding of Abandonment and Request to Issue Patent that was sent to the USPTO on May 23rd, 2005 in response to the Decision on Petition of March 23rd, 2005. As the transmittal was sent within two months of the petition decision, the transmittal was therefore timely. As you are aware, the transmittal was lost after receipt by the USPTO (see the attached USPTO receipt).

Applicant again petitions for reconsideration of the petition to withdraw holding of abandonment for failure to pay the issue fee and issue the patent with all due haste. The issue fee was paid. The fee required to accompany this petition has already been paid. The patent was abandoned due to Patent Office error as detailed in the original petition. Please contact Applicant's representative before making any decision on the petition other than granting the petition, or if any other questions arise.

Respectfully submitted,
DALINA/LAW GROUP, P.C.

**REQUEST FOR RECONSIDERATION OF PETITION TO WITHDRAW
HOLDING OF ABANDONMENT AND REQUEST TO ISSUE PATENT**

Sir:

In response to the Decision On Petition of March 23rd, 2005, Applicant hereby petitions the commissioner to reconsider the petition to withdraw the holding of abandonment for failure to pay the issue fee and issue the patent with all due haste. The issue fee was paid. The fee required to accompany this petition has already been paid. The patent was abandon due to Patent Office error.

The Examiner in charge of the above mentioned application violated 37 C.F.R 313(b)1-4 by sending a Corrected Notice of Allowance on July 22, 2004 even though the Issue Fee was paid in full on June 25, 2004.. Prosecution on the merits for this application was closed as of June 25, 2004. As there were no mistakes in the prosecution of the application on the part of the office to that point, the Examiner erred by sending a "corrected" Notice of Allowance. There was nothing to correct. Applicant's representative believes the Examiner sent the Corrected Notice of Allowance out because the revision of the form itself had changed from Rev. 11/03 to Rev. 7/04. To withdraw an accepted application from issue under these circumstances is a clear violation of 37 CFR 1.313, (see MPEP 1308) and would be inappropriate. Applicant's rights to an issued patent are being severely compromised.

Appl. No. 09/577,268
Response dated 5/23/2005
Reply to Office Action of 3/23/2005

37 CFR 1.313. Withdrawal from issue.

(b) Once the issue fee has been paid, the Office will not withdraw the application from issue at its own initiative for any reason except:

- (1) A mistake on the part of the Office;**
- (2) A violation of § 1.56 or illegality in the application;**
- (3) Unpatentability of one or more claims; or**
- (4) For interference.**

As there was no mistake on part of the office before the Examiner sent the "corrected" notice of allowance 37 CFR 1.313(b)1 does not apply. Since there was no violation of 37 CFR Rule 56, 1.313(b)2 does not apply. Since there were no patentability issues raised by the Examiner, 37 CFR 1.313(b)3 does not apply. Since the application is not the subject of an interference, 37 CFR 1.313(b)4 does not apply. Please see the attached PAIR pages, and the original Notice of Allowance and Corrected Notice of Allowance noting that there were no mistakes and thus no corrected mistakes on the "corrected" notice of allowance.

As the Issue Fee and Publication Fee were timely paid within the statutory required 3 month period after the original Notice of Allowance was sent, ALL REQUIREMENTS OF 35 U.S.C. 151 HAVE BEEN SATISFIED. By denying Applicants petition and effectively refusing to issue the patent to which the applicant is entitled, the Office violates 37 CFR 1.313(b)1-4. To remedy this injustice Applicant respectfully requests expedited issuance of the patent as per the original and timely filed PTOL-85 submission of June 25, 2004. Please use deposit account 502689 for any other charges not accounted for herein and please reference our file number A2I-P0001 when using the deposit account.

Should the office disagree with this Petition applicant's representative respectfully requests that an attorney from the Petitions Office contact applicant representative at the number below to explain the rationale for such disagreement **BEFORE** denying this Petition.

Respectfully submitted,
